The Soldura Difference

Soldura designs, engineers and manufactures to a Higher Standard. Our Outdoor Products are long-lasting and low maintenance built to withstand the rigors of commercial use. Soldura is the brand of choice in countless Hospitality, Commercial and Public Spaces for Distinctive, Sustainable Outdoor Furniture.

Attributes

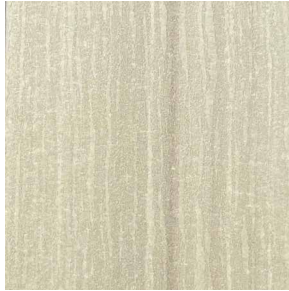

- Soldura is ideal for outdoor end product applications where weather resistance, minimal maintenance and a beautiful appearance is required over a long product life cycle.
- Resistant to UV and harsh weather climates
- Easy to clean, using soap and warm to hot water
- No splintering, cracking or warping as one would find with wood
- Resistant to most chemical exposure
- Customizable – shapes and colors
- Lumber 95% recycled content certification meeting FTC Green Guidelines
- Backed by a LIFETIME material integrity and 1 year craftsmanship warranty
