REASONS TO USE MILLIKEN TABLE LINENS

- Milliken table linens last longer than any cotton or poly/cotton fabric on the market
- Patented soil release equals cleaner linens for your guests
- Great color retention provides a consistent look across your dining area
- Better shrinkage performance than cotton or poly/cotton fabrics
- Proprietary SofTouch® Technology means less lint on your diner's laps
- Multiple vendors provide consistent delivery
- Processing support for our fabrics
- 84% of consumers consider cloth linens more environmentally friendly than paper
- 82% of consumers believe a restaurant set with cloth linens provides a better ambiance

Milliken is an innovation company that has been exploring, discovering, and creating ways to enhance people's lives since 1865. Our community of innovators has developed one of the largest collections of patents held by a private company. With expertise across a breadth of disciplines including specialty chemicals, floor coverings, and performance materials, we work around the world to add value to people's lives, improve health and safety, and make the world more sustainable.
